

Style analysis worksheet

1) Media

Impact of media chosen

Is the media used to simulate a different media?

2) Palette

What impact does media have on color selection?

How does color selection aid the work of the piece?

3) Composition issues

Use of white space or background—is it empty? Pattern?

Use of repetition

Use of frame

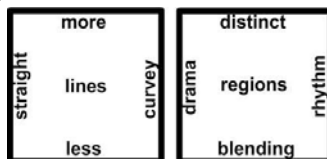

Dramatic? Obvious center? Obvious attention point?

How is the eye directed?

Explicit vs. Implicit: is anything implied but not present?

Is detailing uniform, suggested, absent?

3) Line

4) What is the goal of this illustration? What role does the illustration's goal have in setting content?
