Dear Dr. Schaffer:

Greetings on behalf of the 55,000 active members of Kappa Delta Pi, International Honor Society in Education. One of the unsung heroes in your teacher education program is the Counselor of the Kappa Delta Pi Chapter, Susan Blunck. The volunteer role our counselor plays is multi-faceted and includes serving as the sponsor and facilitator of all chapter activities, involving faculty members in identifying new candidates for membership, and promoting chapter installations. The counselor also develops officer-leadership opportunities, professional-development programs and coordinates important service projects.

The mission of Kappa Delta Pi is to recognize and reward scholarship and excellence in education. We accomplish this through scholarly journals, regional and national conferences, access to an online Web site and a host of other member services. The most important part of our mission is promoting the local chapter experience. The chapter counselor is the key to a successful campus chapter. Of course, we promote student leadership development, and the counselor becomes a mentor in this process.

We want to acknowledge the service that Susan Blunck provides on your campus. We hope that you will publicly affirm this chapter counselor, for the volunteer work of these educators often goes unrewarded.

We are celebrating this role within our organization, and we seek your support to recognize this person on your campus. The chapter Counselor is the very heartbeat of Kappa Delta Pi.

We are pleased to work with you to celebrate the highest level of student and faculty scholarship and leadership. We extend our appreciation for your support of Kappa Delta Pi and encourage your support of the faculty who give their time and effort to serve as the chapter counselor.

Sincerely yours,

Janette K. Rogers
President
