1997 ENVIRONMENTAL SCIENCE INSTITUTE INSTRUCTIONAL FACILITIES

Peyton Hall - for lectures.

Computer Laboratory - Palmer #100 and #100B. Your Technology Director, John Sacco, will outline the use of the facilities to you.

Biology Library is in Guyot Hall on Washington Road. You are free to use the books and journals there but they do not circulate.

Institute Offices - Palmer # 115. This office is staffed by our student assistants, Ali Aslam, Ayan Bhattachara, Phi-Long Nguyen and Kara Olsen. This is your daytime message center.

Holder Hall - All participants will be housed in Holder Hall.

Trash will be picked up outside your door each weekday morning. A box for cans to be recycled will be available.

Linen Service is available each Wednesday, 7-8:30 a.m. Please take your dirty linens to Dod Linen Room on lower level of Dod Hall. A conference office representative will exchange it for a full set of clean linens. (Only even exchanges will be made, ex. dirty towel for clean towel, dirty linen for clean linen.)

Laundry - Washers and dryers are available in the basement of Holder Hall.

Dining Hall - All contracted meals will be served at either Wilcox or Wu Halls.
