CHESAPEAKE BAY WATER WATERCOLORS, 2010

Performance and Installation
Postcard rack (10x60") with
over 100 4x6" watercolors.

Watercolor pigments were created
from natural ingredients and
Baltimore waterways entering
the Chesapeake Bay. Over a
hundred paintings were created
for a postcard display including
contributions from artists
worldside. A performance included
'make a painting' and live
demonstrations of pigment making
from Baltimore's Inner Harbor.

Please see video documentation
at lisamoren.com.
