

POLI 300 -- STUDENT POLITICAL ATTITUDES SURVEY -- FALL 2010

Please answer each of the following questions by circling *on these pages* the *one* alternative (1), (2), etc., that *best* indicates your response to the question. For many questions, no alternative will perfectly — or even adequately — represent your opinion. But, in any case, please mark the one alternative that represents your opinion least badly. Please do not skip any question; mark one alternative for each question. When you are done, please *transfer your answers to the machine-readable answer sheet*, which you will hand in. The answer sheet needs to be marked *in pencil*. All answers are anonymous; do not put your name, social security number, Campus ID, or any other identifying information on the answer sheet. *Please keep this questionnaire, marked with the answers you gave today, safe for your own future reference.* (You will need to use the questionnaire as a *codebook* for some Problems Sets and you should also have a record of how you responded to each question.)
