Permission Request Form

Dear Permissions Editor:

I am (authoring)/(contributing to) a volume tentatively entitled Proceedings of HCI International 2005 and its affiliated Conferences to be published in 2005 by Lawrence Erlbaum Associates, in CD-ROM format, and in book format on demand. I would like your permission to reproduce, in this and in future editions of the work, the following materials:

- Highly Visual Displays and Visual Analytics
- Visual Priming and Cuing
- Perceptual versus Conventional Cuing
- Cue Interaction and Multimodal Feedback
- Focal Point Overloading
- Visual Cue Layering
- Perceptual Chaining
- Visual Cuing in Individual and Collaborative Applications
- Visual Cuing in Micro, Desktop, and Megapixel Display Interfaces
- Research Challenges regarding the above topics

I would appreciate having nonexclusive world rights in all languages. Please indicate the appropriate credit line you prefer that we use:

A duplicate of this letter is enclosed. Please sign and return one copy to:
