

ALL WORK AND NO PLAY

ENDORSEMENT QUOTES

The reviews are in! Unlike my last book, which garnered a total of two anonymous reviews—one simply stating that it seemed like it would make a nice gift—the heavy hitters have been weighing in on *All Work and No Play*; here’s what they are saying:

“I’ve waited over 40 years for this book, and was not disappointed.”

–Stephen King (bestselling author)

“Nestled deep within this book are 10 words that will change your life.”

–Joel Osteen (televangelist)

“This one’s a real page-turner; I personally turned all the pages in less than a minute.”

–Wendy Torrance (Jack Torrance’s widow)

–Robert Zemeckis (director of *Back to the Future*)

All Work and No Play: Endorsement Quotes

“This is an awe striking discovery that’s importance cannot be understated. The fact that something as legendary as this was salvaged from oblivion and made available for the public after all these years is nothing short of a miracle.”

–Robert Ballard (oceanographer)

“All work and no playing golf makes Jack a dull boy.”

–Jack Nicklaus (professional golfer)

“Something about this book reminds me a lot of a movie I made a while back called *2001: A Space Odyssey*.”

“I burned through this book in no time.”

–Charlie McGee (famed pyrokineticist)

–Eddie Estevez (Tom Cruise’s stuntman’s accountant’s house cleaner’s boyfriend)

“I went to a reading at a local bookstore and kinda casually mentioned beforehand to [Huff] that the book seemed a little pricy for what it was. He told me to stick around just a bit afterwards, so I did, and he sold me one at cost. He’s a super cool guy.”
